

## **KEHA Mini-Grants for Study or Research**

In 1984, KEHA established a fund to provide money for research or study in the form of mini-grants. These grants are awarded annually.

The amount of each grant is based upon interest earned on principals and the number of applications received. No grant larger than \$500 will be awarded. KEHA members, County Family Consumer Science Extension Agents or Family Consumer Science Extension Specialists are eligible for the mini-grants.

The Committee to review applications shall be appointed by the State KEHA President.  
**Selection emphasizes the benefits to KEHA.**

Recipients are announced and awards made at the KEHA Annual Meeting. The award grant is to be used within 18 months of the award date with a written statement of accomplishments to the KEHA President.

The mini-grants shall be used for:

- Expenses for researching new educational programs. Grant cannot be used for actual implementation of program;
- Expenses for attending educational workshop or conference that will benefit KEHA;
- Tuition for formal course work; or,
- Other aspects of research or study programs.

The criteria for judging are:

- 40% needs assessments, financial, personal and/or county;
- 15% identification of problem;
- 15% goals and objectives; and,
- 30% specific plan to benefit KEHA.

If the request is approved and funds awarded, a written report and list of actual expenses will be due 60 days after completion of the project. Send report to the KEHA President.

The application form follows this description and is due March 1 to the KEHA 2<sup>nd</sup> Vice-President.
