

Increasing Membership

LET'S GROW HOMEMAKERS

All counties are in each year.

Year 1 - How to do it. Ideas and plans for increasing our #. Share ideas! Ideas turned in before the state meeting will be combined into a hand-out to share.

Top % and Top # Get an empty tool bag to fill with ideas.

Year 2 - Tend and Fertilize. Put the ideas into practice and change to meet your county goals. Ideas turned in before meeting will again be made into a hand-out.

Top % and Top # will receive tools and fertilizer to keep the old members happy and to add new members.

Year 3 - Continue to use these ideas and add to them so we are growing strong.

Ideas turned in will be compiled and made into a hand-out.

Top % and Top # will receive a plant to tend and watch grow as the watch their Membership grows.

Ms. E. Go and Ms. Way to Go will be passed along with their gardening garb and winners will be encouraged to add pictures of them gardening to help HELP GROW HOMEMAKERS!!
