

KEHA Membership Awards

The Kentucky Extension Homemakers Association is a dedicated group of community volunteers dedicated to learning, leading and serving. Each member contributes to membership recruitment and retention.

We are asking everyone to recruit one new member.

Engaging all members in recruitment and retention will strengthen the organization for the future.

The county who has the greatest percentage increase in membership will be given **"Ms. E. GO"** to take home to their county.

Ms. E. GO comes with **\$300** for the winning county's special event or project.

Ms. Way To Go will be awarded to the county that has the largest number of new recruits.

She also has **\$300** for the winning county's special event or project.

Each winning county will be asked to take photos of events and activities with **Ms. E. GO** or **Ms. Way To Go** featured prominently.

Photos will be compiled into a presentation for the next KEHA State Meeting to showcase Extension Homemakers in the winning counties!

Let's get busy and remember **E.G.O. ~ Everyone Get One!!!**

Lois Pressgrove, KEHA 2nd Vice-President
