<b>Additional Comments and Feedback</b>	<ul style="list-style-type: none"> <li>• COVID prevented us from meeting in person and doing any promoting for International Program of Work.</li> <li>• Due to the pandemic, we focused our efforts on local community needs.</li> <li>• Homemakers while preparing for International Day studied and learned information on cultural views, food, children's entertainment, dress and governmental knowledge through library books and videos and also by preparing meals.</li> <li>• limited opportunities due to no FCS agent and COVID shut down.</li> <li>• No information to report. There was not enough input from club members to complete with accuracy. Due to Covid our club did not meet and all programs were cancelled</li> <li>• One Homemaker contributes money to international projects not listed above.</li> <li>• Our Celebration of National Pollination Week: June 2021 brought awareness and educational information to participants in our Bag to Go Program. This bag included lots of education about pollination, a yummy Plate-it Up recipe and lots of fun activities for the entire family!</li> <li>• Unfortunately due to Covid we didn't get to do anything. Hopefully 2021-2022 will be a more productive year.</li> </ul>
