

After A while I'll Smile

After awhile I'll smile again
After awhile this trial I'll win
After awhile these tears I'll surely pass
After awhile my smile will last
After awhile my sadness will be deep inside
After awhile I'll learn how to hide all my hurts and heartaches
They will be tucked far away
So no one will know when I say
After awhile "I'll be fine:
After awhile a smile will be mine
After awhile the pain will ease
Yet, after after awhile I realize it will never cease
After awhile we will be together again
In a world where there is no end
Yes, After awhile I'll be with you
In a land that is all new
Then, After awhile I'll smile for evermore
As we stroll hand in hand by Heaven's shore

I'll see you After awhile My Love
