

4-H YOUTH DEVELOPMENT

All Educational Program Chairpeople are expected to work together to integrate their program of work when possible. This program should address the youth of Kentucky and KEHA's bond with those youth. The State KEHA 4-H Youth Development Chairperson attends Kentucky 4-H Council meetings and events. (Usually held in the 2nd week of January and July.) The KEHA 4-H Youth Development chairpeople at all levels should consider the following when planning the program of work:

- Become knowledgeable and encourage participation in county, district, and state 4-H Programs such as:
 - 4-H Public Speaking

- Encourage KEHA members to serve as 4-H volunteers leaders.

Current Situation

A county's 4-H program is only as strong as the volunteers that support it.

After surveying 4-H agents in 2022 at the beginning of my tenure we found that 65% of the 4-H Agents did not know who their KEHA 4-H educational chairperson was and 68% had never met with any homemakers or county homemaker councils. However, 70% of those 4-H agents saw a need for volunteers and are willing to meet and work with Homemakers.

Our Homemakers are so much more than chefs and seamstresses. They are bankers, beekeepers, lawyers, biologists and much more. The 4-H youth of Kentucky could benefit greatly from our Homemaker's vast knowledge in many areas of expertise.

Connecting the two programs (Homemakers and 4-H) has been an issue in the past.

We will strive to make the partnership between local 4-H programs and homemakers stronger in the next three years. To establish this goal, we need create a communication link between the two programs. This is where the County and Club 4-H Educational Chairpeople duties begin.

Goal:

To provide training/information to 4-H agents about what local homemakers are able to provide to their program/clubs.

Each homemaker will fill out a questionnaire with their background and information on subjects/hobbies they could teach/help with will be collected by the 4-H educational chairpeople.

By introducing 4-H members to our Homemaker organization, we hope they will naturally progress into homemakers when they age out of 4-H.
