KENTUCKY HOMEMAKERS CREED

I believe in the home as an inspiring and happy center of family life -- comfortable and attractive -- a place for relaxation and work, where pleasures and responsibilities are shared.

I believe in the home and its contribution to community life, which reflects the development of the homemaker and the family.

I believe in the homemaker -- alert, diligent, in search of better ways, of doing ordinary things, for the welfare and happiness of the family.

I believe in the homemaker as a community leader, responsible for passing on to others, mastered skill and knowledge.

I believe in the fellowship that comes through the homemakers' organization—the exchange of ideas and the joy of knowledge shared with others, thus broadening our lives, and lifting household tasks, above the commonplace.

For these opportunities, I am grateful. I am also thankful for the courage of yesterday, the hope of tomorrow, and a growing consciousness of God's love always.

NOTE: Revised 1995.

COLLECT

The Collect was written by Mary Stewart of Longmont, Colorado, in 1904 as a personal prayer and without any organization in mind. The prayer was published under the title, *A Collect for Club Women*, because Mary felt that “women working together with wide interests for large ends was a new thing under the sun and that perhaps they had a need for a special petition and meditation of their own.” The Collect has found its way around the world wherever English-speaking women work together.

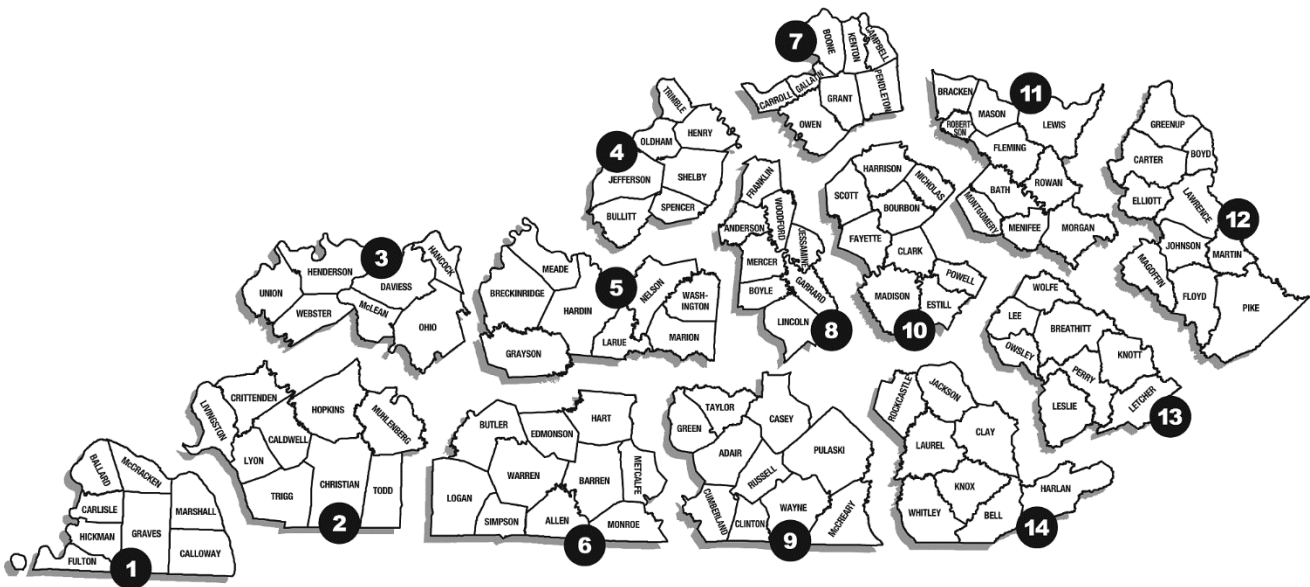

Keep us, oh God, from pettiness; let us be large in thought, in word, in deed,
Let us be done with fault finding and leave off self-seeking,
May we put away all pretence and meet each other face to face without self-pity and prejudice.
May we never be hasty in judgment and always generous.
Let us take time for all things; make us grow calm, serene, and gentle.
Teach us to put into action our better impulses, straightforward and unafraid.
Grant that we may realize it is the little things that create differences,
that in the big things of life we are at one.
And may we strive to touch and know the great, common human heart of us all,
And, oh Lord, God, let us forget not to be kind.

KEHA Educational Program of Work Guidelines

Who: The ***KEHA Educational Program Chairman***, an assigned ***State Advisor***, along with the ***Statewide Advisory Committee***.

The KEHA Chairman is an elected position while the State Advisor is appointed by the Assistant Director for Family & Consumer Sciences and/or State KEHA Advisor. The Statewide Advisory Committee is composed of the fourteen (14) Area Educational Program Chairmen.

Frequently the State Advisor is a state specialist or Extension associate. In some instances, there will be one or more additional specialists and/or associates with whom the advisor will work, requesting information, programming help or lesson assistance—i.e.; ***Foods, Nutrition & Health*** involves all of the Foods & Nutrition Specialists as well as all of the Health Specialists. The statewide Advisory Committee serves as an advisory group to help plan, carry out and evaluate the Program of Work.

The KEHA Educational Program Chairman and the Advisor are expected to *communicate and work* as a team. The Statewide Advisory Committee meets with the Educational Program Chairman and the State Advisor at the annual KEHA State Meeting and at other called meetings as needed.

What: The major responsibility of the KEHA Educational Program Chairman is to ***develop and implement a 3-year Program of Work*** (POW) with the help and advice of the Statewide Advisory Committee (Area Educational Program Chairmen) and the State Advisor. The second activity is to plan and conduct the respective Chairmen Training session at the annual KEHA spring meeting.

The POW *may* focus on one aspect/segment of the Chairman's total responsibility, but is responsible for disseminating and sharing information about all of the topics under that heading—i.e.; Family & Individual Development Chairman handles the subject matter areas of family life as well as clothing and textiles. Chairmen and advisors *must* find a way to incorporate and share programming materials, lessons, and other issues from *all the subject matter areas they represent*. The focus of the POW should be on outcomes-based programming with established goals and objectives. Strong connections to the Family and Consumer Sciences Extension strategic plan are encouraged.

When: Following the election of a new State Educational Program Chairman, the advisor takes the lead in contacting the incoming Chairman to arrange for a meeting to get acquainted and to work on the new POW soon ***after the annual KEHA state meeting***.

The incoming/new Chairman is elected during the second year of the 3-year Program of Work. This allows the new/incoming Chairman an opportunity to meet with the advisor, get advice or suggestions from the Statewide Advisory Committee, and put together a *new* 3-year plan. The new POW is developed during the summer and fall following the annual meeting. Initial ideas are shared during the ***Fall Board Meeting***. The proposed plan should be final and complete by spring as a copy of the proposed plan is to be shared with the KEHA Board at the ***Spring Board Meeting***. This is simply an opportunity for the Board to preview the new Program of Work. No vote is needed nor taken on the plan unless it includes new or revised contests. **All contests must be approved by the board.**

The *new POW is introduced to the KEHA Statewide Advisory Committee* (Area Educational Program Chairmen) and all other individuals who attend the KEHA Chairman Training session *the following year after election*. The new POW begins the following program year in July. However, evaluation information will continue to be collected and reported on the outgoing POW for one or more years.

Where: Since the elected State Educational Program Chairman can be from any one of the 120 counties across the Commonwealth, times and opportunities to work on a new POW must be arranged in cooperation with their assigned State Advisor. It is the responsibility of both parties to be creative in establishing a time to meet (face-to-face, conference call, etc.) and begin the new POW process

Why: The KEHA Educational Program of Work provides the perfect opportunity to give direction to learning by stating *educational goals, activities, and lessons* for Homemakers. KEHA is about improving “the quality of life for families and communities through leadership development and education in cooperation with the Kentucky Cooperative Extension Service.” By focusing on a specific topic, information can be targeted and accomplishments measured. Topics to be studied should be chosen with great care, taking into consideration the full representation in the Kentucky Extension Homemakers Association as well as the strategic plans goals and objectives of Family and Consumer Sciences Extension.

All POWs should contain sufficient breadth to allow every club the opportunity to explore in depth a *relevant, timely topic* resulting in information useful to its members regardless of race, color, age, gender, religion, disability, or national origin.

How: *The Program of Work should come about through teamwork.* Ideas should flow from the grassroots—individual members—to the Statewide Advisory Committee. The Statewide Advisory Committee is composed of the Area Chairmen. Area Chairmen should discuss and share topics with the State Educational Chairman and State Advisor who carefully work together to *craft* the POW. Time for this discussion is built into the State Chairman Workshops held at the annual state meeting. However, the conversation should continue via a variety of communications channels, including phone, email and social media (when applicable).

Program of Work

2022-2025

Situation: Situation: Of the several entries for the word “ART” in Merriam-Webster’s online dictionary, the definition, “decorative or illustrative elements in printed matter” is the inspiration for the current Three-Year Program of Work. Viewing art – such as a painting, photograph – can influence our thought processes, emotions, and behaviors. And the fundamental ‘elements and principles’ of art (or design) consciously and subconsciously impact our perception of what we are viewing. This Program of Work aims to introduce participants to the elements and principles of art through definitions and examples, while helping participants understand why they may or may not “like” what they see when viewing art. Participants will be encouraged to enter their own “works of art” in the Cultural Arts Exhibit.

YEAR ONE Focus (2022 – 2023): ELEMENTS and PRINCIPLES of ART

Goal: To provide information that will enable participants to objectively evaluate a drawing, painting, or photograph and have discussions about what makes some works of art visually pleasing or not visually pleasing

Objectives:

- Establish a foundation of understanding through a brief survey of art history
- Define the Elements of Art/Design
 - Line, shape, form, space, texture, value, color
- Define the Principles of Art/Design
 - Unity/variety, proportion, balance, contrast, emphasis, movement, rhythm, pattern
- View and critique examples of the Elements and Principles
- Discuss how the use of Elements and Principles can create something that is either visually pleasing or not pleasing

Activities:

- Create a scrapbook page to enter in the Cultural Arts contest that incorporates several Elements and Principles of Art
- Visit local museums to view a drawing, painting, or photograph and describe the specific Elements and Principles of Art
- Support local artists

YEAR TWO Focus (2023 – 2024): COMPOSITION in DRAWING and PAINTING

Goal: To increase participants level of understanding related to composition in drawings and paintings.

Objectives:

- Discuss the history of drawing and painting
- Discuss tools and equipment used for drawing and painting
- Review the Elements and Principles of Art/Design and make connections with specific drawings and paintings
- Give suggestions for how to create visually pleasing drawings and painting

Activities:

- Enter a drawing or painting in the Cultural Arts contest
- Experiment with watercolors and paint our state of Kentucky
https://cedik.ca.uky.edu/files/kentucky_watercolor_ky_arts_extension_july2020.pdf
- Visit local museums to view a drawing, painting, or photograph and describe the specific Elements and Principles of Art

YEAR THREE Focus (2024 – 2025): COMPOSITION IN PHOTOGRAPHY

Goal: To increase participation in Cultural Arts and Heritage Exhibit Photography categories.

Objectives:

- Discuss the history of photography
- Discuss tools and equipment used for photography
- Make connections about the Elements and Principles of Art/Design to specific photography
- Make distinctions between black & white photography and color photography
- Give suggestions for how to create visually pleasing photographs

Activities:

- Take a photography class
- While keeping the Elements and Principles of Art in mind, take a photograph to enter in the Cultural Arts contest
- Sort through your old photographs and select a few that you find visually pleasing – and display them! Find a few photographs that you don't like – and let them go!
- Visit local museums to view a drawing, painting, or photograph and describe the specific Elements and Principles of Art

CULTURAL ARTS EXHIBIT

CULTURAL ARTS EXHIBIT RULES

All Extension Homemakers are encouraged to submit “original” items for competition in state exhibits.

Each article must be the work of an Extension Homemaker member and must have been completed during the past 2 years.

BLUE Ribbon and PURPLE Ribbon winners from previous years in each category or subcategory are not eligible for entry in another KEHA cultural arts contest.

Areas may exhibit one item from each category and/or subcategory (maximum number is 94 for 2023-2024).

Identification of item should be on tag provided by state and attached to exhibit.

The exhibitor and/or their representative is responsible for transporting exhibits to and from the state meeting.

Should a KEHA member who is in good standing happen to pass away before a qualified entry can advance to the next level of judging (county to area, area to state), the deceased member’s entry will remain eligible, and the club/county will have the option to enter it at the next level.

Each exhibitor must provide their own materials to properly display their item. Tape and nails cannot be used on the walls. If items are best displayed vertically, please provide an easel or means of hanging exhibit from the wall. **All items used for display should be labeled with exhibitor name.**

Entries will be exhibited by category. Entries will be judged by subcategory when indicated. **Exhibitor is responsible for category/subcategory determination.**

Extreme care should be taken at the county and area level to place entries in the correct category. Entries entered in the wrong category will be moved to the correct category, if possible. Entries entered in the wrong category, where there is no correct category available or where there is already another entry, will be disqualified.

Blue ribbons are awarded for high quality work, the number depending on the quality of the entries. A championship purple ribbon is awarded to best of the blue ribbon entries in each category.

All exhibits must remain displayed throughout the duration of the Cultural Arts Exhibit. In the case of an emergency, items may be removed only on approval of the state Cultural Arts Chairman.

Neither the Kentucky Extension Homemakers Association nor the University of Kentucky will be responsible for any lost, misplaced or broken items. We do not anticipate any misfortune, but this disclaimer must be clearly understood by all exhibitors. Please label any easels, picture stands, hangers, or other display equipment.

The exhibits will be hosted at all times the exhibit is open. Additional security will be provided when necessary.

If categories are to be eliminated, there will be a one-year notice.

FAMILY AND INDIVIDUAL DEVELOPMENT

Living with fear and anxiety has been upending. Being forced to distance ourselves from those we care about created disconnection. Coping with extraordinary losses is distressing. The ongoing Covid-19 crisis has affected people's mental health around the world. People are suffering—some worse than others, depending on gender, personality, age, health, socioeconomic status, and race. Ongoing research demonstrates that people are experiencing mental health issues at higher rates than before the pandemic. Issues include stress, anxiety, depression, and post-traumatic stress disorder (PTSD).

To help KEHA deal with the many different types of loss individuals and families may have experienced over the past few years, the Family and Individual Development Program of Work (POW) is reaching in (versus reaching out) and addressing self-care. Specially, lessons and activities will focus on:

- 2022-2023: Self-Care and Mental Health: Living Alongside the Pandemic
- 2023-2024: Self-Care and Self-Indulgence (aka: Pamper Yourself!)
- 2024-2025: Self-Care and Strengthening Family and the Community

Handbook 50
June 2024

FAMILY AND INDIVIDUAL DEVELOPMENT 2022-2025
Focus 1: Self-Care and Mental Health: Living Alongside the Pandemic
2022-2023

This focus area is about replenishing and doing things for individual benefit—including recognizing loss, both big and small.

Goals & Lesson Resources

Resources will be provided to explore the following topics:

1. Analyze various types of loss and grief
2. Examine ways to take care of yourself mentally and physically
3. Create mental health survival kits

Activities

The facilitator guide will provide a homemaker “survival kit” activity. In addition, consider these additional activities:

1. Educate yourself –attend KEHA lessons, learn about grief, talk about your feelings
2. Seek help –Talk to trusted family members/friends, reach out to a religious leader, attend a support group, call a health-care provider, schedule mental health counseling
3. Keep a journal—document things for which you are grateful, write from the heart, reflect on your loss and how it affects you, let your feelings flow
4. Surround yourself with positive, healthy people—spend time with people who have positive energy and who can support and encourage you
5. Be active—engage in meaningful activity, discover your purpose, join a club, attend an event, volunteer, spread joy

For more information, resources or assistance with website access, contact your county Family & Consumer Science Agent.

Focus 2: Self-Care and Self Pampering 2023-2024

Rational

To feel great this year, KEHA supports the following goals:

Taking time to engage in self-care alleviates some of life's daily pressures and provides the necessary reset that allows you to get back a healthy point where you can maximize daily productivity. When you take time to spend time on yourself, you ultimately benefit everyone. But if negative experiences, behaviors, and feelings persist and/or prevent the ability of carrying out daily responsibilities, it is important that you call a health care provider and seek professional services.

In addition to supporting on-going self-care, KEHA is also exploring the temporary benefits of self-pampering. Self-pampering in this sense refers to healthy adornment practices that make us feel good in the moment. The practice of self-care and self-pampering can complement each other. When used in moderation, pampering yourself can be a form of self-care that we should not feel guilty about.

Goals & Lesson Resources

Resources will be provided to explore the following topics:

1. Identify the difference between your self-care needs and self-pampering wants in terms of health and grooming.
2. Analyze what style is best for your body shape.
3. Identify ways to pamper yourself at home without breaking the bank.
4. Choose to love yourself and be happy with the blessing you have.
5. What is self-care and why is it important for you.

Activities

The facilitator guide will provide several suggestions for self-pampering activities.

For more information, resources or assistance with website access, contact your county Family & Consumer Science Agent.

Focus 3: Self-Care and Strengthening Family and the Community 2024-2025

Rational

Meaningful relationships and positive social connections help you build support systems and contribute to physical and mental health as well as overall life quality and well-being (National Institute of Health, 2021). Strategies for improving personal social health include (1) making connections with family, friends, neighbors, romantic partners, etc.; (2) taking care of yourself while caring for others; (3) getting physically active with others in the community; (4) creating strong bonds with kids; (5) Building strong, healthy, supportive relationships; and (6) Influencing your family's health habits. When committed to personal and family well-being, you are better able to support, maintain, and/or improve the life quality of your family and community. Strong families are the building blocks of society. According to research, the qualities of strong families include (MO Extension; MSU Extension; NE Extension; UK Extension):

1. **Adaptability and Flexibility.** Strong families can manage unanticipated events and stressors.
2. **Affection and Appreciation** – Strong families care about each other, they say nice things to one another, they help each other, do positive things for one another and keep promises.
3. **Commitment to Community.** Strong families are committed to and connected to their communities (clubs, organizations, volunteering, etc.)
4. **Commitment to Family.** Strong families share responsibilities, are loyal to each other, make decisions together, support each other, eat together, and trust each other.
5. **Encouragement.** Strong families encourage individual development inside and outside of the family system.
6. **Spiritual Health** – Strong families have a sense of peace, believe in a greater power, and share/respect spiritual values.
7. **Positive Communication** -Strong families eat together (and put away phones and electronics), they actively listen and hear each other, they talk to each other with respect, attention and honesty, they share open and honest feelings with each other, and avoid putdowns and negative sarcasm. Positive communication also includes the ability to manage and resolve conflicts.
8. **Strong coping skills** - Families with healthy well-being tend to be resilient. Crisis brings them closer together and they are supportive of one another. They look for something good from a bad situation and tend to accept the things they cannot change.
9. **Time together** -Strong families spend quality and quantity time together. They share common interests and respect each other's likes. Strong families being together, laugh a lot, and are not afraid to embrace spontaneous activities.

Goals & Lesson Resources

Resources will be provided to explore the following topics:

1. Practice positive communication with a focus on listening and respect
2. Plan outings that are relaxing, fun and affordable
3. Shape your family's health habits.
4. Participate in a community service project and help others.

Activities

The facilitator guide will provide several suggestions for activities for self-care and to strengthen family and community.

4-H Youth Development
2023-2026 Program of Work

KEHA 4-H Program Chair: Denise Boebinger/502-330-1978/dboebinger@me.com

Current Situation

A county's 4-H program is only as strong as the volunteers that support it.

After surveying 4-H agents in 2022 at the beginning of my tenure we found that 65% of the 4-H Agents did not know who their KEHA 4-H educational chairperson was and 68% had never met with any homemakers or county homemaker councils. However, 70% of those 4-H agents saw a need for volunteers and are willing to meet and work with Homemakers.

Our Homemakers are so much more than chefs and seamstresses. They are bankers, beekeepers, lawyers, biologists and much more. The 4-H youth of Kentucky could benefit greatly from our Homemaker's vast knowledge in many areas of expertise.

Connecting the two programs (Homemakers and 4-H) has been an issue in the past.

We will strive to make the partnership between local 4-H programs and homemakers stronger in the next three years. To establish this goal, we need create a communication link between the two programs. This is where the County and Club 4-H Educational Chairpersons duties begin.

Goal:

To provide training/information to 4-H agents about what local homemakers are able to provide to their program/clubs.

Each homemaker will fill out a questionnaire with their background and information on subjects/hobbies they could teach/help with will be collected by the 4-H educational chairs.

By introducing 4-H members to our Homemaker organization, we hope they will naturally progress into homemakers when they age out of 4-H.

All our work is implemented in collaboration with the United National “Sustainable Development Goals” (SDGs) which are the blueprint to achieve a better and more sustainable future for all. They address the global challenges we face, including those related to poverty, inequality, climate change, environmental degradation, peace and justice. The 17 goals are all interconnected, and in order to leave no one behind, it is important that we achieve them all by 2030.

KEHA International Program of Work

2022-2025

Situation:

With our ever-changing world, we are faced with the global challenges of poverty, health, education, economic growth, and climate change. We are going to take a journey around the globe promoting cultural awareness. When examining the GLOBE (G: Goals, L: Learning, O: Opportunities, B: Benefits, E: Eating, Embracing, Environment, and Exchange), we will strive to leave no one behind. As we tackle this joyful task of embracing cultural awareness in our communities and its impact, our journey opens the door to taste, see, hear, feel, laugh, and love by creating a better world.

2023-24: Healthy Eating Around the World

We'll take a trip around the globe to learn about dietary recommendations from other countries. Along the way, we'll learn about new foods and ways of eating. As we arrive back in the U.S., we'll reflect on what we learned and see how advice about a healthy diet is remarkably similar, no matter where on Earth we live. This lesson includes a facilitator guide, publication ([FCS3-631](#)), training slides, leader lesson letter, activities, marketing pieces, and an evaluation. This lesson is part of the International Program of Work for 2022-2025.

2024-25: Creating Welcoming Communities

All societies experience shifts in culture and modern America is no exception. Have you wished to be more confident in navigating unfamiliar cultural experiences? With this lesson, become a more prepared community volunteer by understanding how culture makes all of us unique. We will examine our own culture, understand culturally related strengths of both ourselves and of others, and gain an understanding of oppressive experiences and their effects. As we seek to build a stronger Kentucky, KEHA volunteers can lead the way in making the state more welcoming to all newcomers in the Commonwealth. This lesson includes a facilitator's guide, publication, PowerPoint, activities, and evaluation. This lesson is part of the International Program of Work for 2022-2025.

Why We Believe in the Homemaker Exchange Program

We believe that with any cultural exchange program, profound knowledge can be gained from working with another culture. Cultural exchange programs are rewarding because it's virtually a real-life study on a country's cultural traditions, language, etiquette, and history. The personal development potential is invaluable. Cultural exchange programs represent the opportunity for participants to mature on a personal and intellectual level. An understanding and familiarity of local customs The experience can be life transforming from an informed and real-life perspective, participants are able to learn about international affairs and how geopolitics and economic factors affect the world we live in.

MANAGEMENT AND SAFETY

Program of Work 2023-2026

Situation: KEHA members need to be made aware of programs and reference materials made available to them in the areas of management and safety, as well as how the programs affect their daily lives, such understanding their credit score, saving for the future, and basic estate planning. It is also important that we know how to take steps in handling and transferring cherished possessions while still living. Everyone should understand the importance of carrying a written personal medication and medical history list on their person.

Focus by Year:

Year 1: *Transferring Cherished Possessions and/or Emergency Health Information Cards*

- Transferring Cherished Possessions: Estate Planning Tips for Non-Titled Property (Nichole Huff, Ph.D.)
- Handy to Have: Emergency Health Information Cards (Katherine Jury, M.S.)

Year 2: *Estate Planning Basics* (Nichole Huff, Ph.D.)

- Getting Started: Part 1 (FCS5-422)
- Records and Personal Information: Part 2 (FCS5-423)

Year 3: *Stretching Your Dollar and/or Understanding Your Credit Score*

- Stretching Your Dollar: What to Do When the “Ends” Don’t Meet (Nichole Huff, Ph.D.)
- Understanding Your Credit Score (Kelly May)

2023-2024 (Year One)

Titles: *Transferring Cherished Possessions* and/or *Emergency Health Information Cards*

Lesson 1. Transferring Cherished Possessions: Estate Planning Tips for Non-Titled Property

Written by: Nichole Huff, Ph.D., Extension Specialist - Family Finance & Resource Management

Description: See full KEHA Leader Lesson for materials and program descriptions (*Moneywise Handout, Facilitator's Guide, Presentation, Activities, Evaluation*)

Goal: Establish the importance of estate planning for non-titled possessions.

Objectives:

- Understand what is in your estate.
- Discuss estate planning considerations.
- Document your wishes for your estate.

Suggested Activities:

1. Show and tell the story behind “your” personal possession.
2. Create an Asset Distribution Plan.
3. Write a Letter of Last Instructions.

Note: *This KEHA Leader Lesson is an abbreviated version of a larger 4-lesson curriculum. Contact your FCS Agent if your KEHA club is interested in experiencing the entire curriculum.*

Lesson 2. Handy to Have: Emergency Health Information Cards

Written by: Katherine Jury, M.S., Extension Specialist - Family Health

Lesson Description: An Emergency Health Information (EHI) Card can be a helpful tool to have. If you are ever in an emergency where you need immediate medical treatment, but are not able to communicate with first responders, an EHI Card can tell medical providers important information about how to help you. This lesson focuses on who can benefit from carrying an EHI card, information that should, and should not be included on an EHI Card, and where to put copies of an EHI Card. Curriculum materials include EHI Card template, participant handout, facilitator's guide, PowerPoint slides and evaluation.

Rationale: The National Safety Council reports that over 5 million accidents occur in the United States each year, with 43% of those resulting in injuries. Many emergency calls would be made smoother if the injured or ill person was in possession of an Emergency Health Information Card. The content in this lesson promotes and encourages general health and medical self-advocacy through the means of a tool, emergency health information cards. This information is relevant to Homemakers and the adult population in general.

Goal: Increase use of Emergency Health Information Cards among adults, leading to better health outcomes in emergencies.

Objectives:

- Identify who can benefit from carrying an EHI card.
- Describe information that should and should not be included on an EHI Card.
- List where to put copies of an EHI Card.

Lesson Materials Include:

- Printable Emergency Health Information Cards
- Health Bulletin
- Facilitator Guide
- PowerPoint
- Evaluation
- Activities
- Two YouTube Videos

2024-2025 (Year Two)

Title: Estate Planning Basics *(To be developed by Nichole Huff, Ph.D.)*

Goal: To provide basic estate planning resources based off two existing Extension publications:

- Learn tips for how to spend wisely, prioritize finances, and the importance of saving.

Lesson 2. *Understanding Your Credit Score*

(To be developed by Kelly May, Extension Associate – Family Finance & Resource Management)

Description: Does one number define you? Find out about the meaning behind credit scores, what makes a good one, and how you can improve yours. Materials include an informational handout, podcast, facilitator guide, optional PowerPoint slides, evaluation, and marketing tools.

LEADERSHIP DEVELOPMENT

2024 – 2027 PROGRAM OF WORK

CITIZENSHIP

There are three significant ways all Americans can express their citizenship: serving in the military, participation in the judicial process by serving on juries when called, and voting. While many can't or choose not to join the military service, all can serve on a jury, witness a trial, or observe any city/town/county or national level governmental process.

Every citizen over the age of 18 should vote at every election no matter how small the issue seems, because all votes count. Voting provides each individual with a voice in the governmental process. Our elected officials can't do their job, serve the people who elected them, without that mandate or message from us. In this respect, we all work together in a very profound way.

Focus:

Becoming the best citizen we can be involves our participation in our local government, knowing who our legislators are, keeping abreast of the issues, and letting them know what you think from time to time.

GOALS:

1. Encourage all eligible family members to vote in each and every election.
2. Participate in local government by attending council and fiscal court meetings, school board meeting, and getting to know leaders.
3. Incorporate what you hear and see at these meetings into discussions for the dinner table, when visiting with club members, etc. Get the word out and talk about what's going on.
4. Serve on the County Extension Council, or Family and Consumer Sciences Advisory Council.

SUGGESTED ACTIVITIES:

1. Host a public forum for your whole community to come together with people in office or running for office to discuss their views and answer questions from the community attendees.
2. Plan a trip to Frankfort to be part of the gallery, observe the process and meet with your legislator.
3. Read about how bills are drafted, reviewed, and voted on by our legislators.
4. Conduct an outreach program to promote voter registration.

LEADERSHIP

Leadership Development is a journey of personal and community growth. This growth is supported by the University of Kentucky through its advisors and programs, participated in and developed by the agents and membership, and shared by the volunteer membership with each other and the citizens of the community around them.

It is an opportunity for all KEHA members to build experience through training and practice, recognize our potential, lift each other up and work toward the future together. All members are encouraged to participate in opportunities for training and education to strengthen our potential, empower effective, energetic involvement and better serve our families and communities. We will share successes as well as failures, learn from them, and continue to move ever onward with each new challenge. Best of all, the joy and satisfaction of accomplishment will feed our confidence to grow as a person, community and organization.

Focus:

To encourage current and future leaders by providing opportunities to develop and sharpen leadership skills within the regular homemaker year, as well as a more deliberate leadership training program at the county, area and state level.

Goals:

1. Continue Leadership lessons at every county, area and state level.
2. Provide wider selections of leadership “mini courses” at the state meeting and make them open to all members, including elected officers.
3. Use parliamentary procedure during meetings.

Suggested Activities:

1. Encourage all members to participate in Leadership Development training and lessons.
2. Use the theme-based materials provided by KEHA at county and area leadership events.
3. Incorporate leadership training into area and county annual meetings.
4. Attend leadership seminars when available.
5. Encourage areas to have participants in the Leadership Academy.

Featured Lesson:

The featured lesson, *Robert’s Rules Refresh*, covers the use of parliamentary procedure and includes the following materials:

- Publication – IP-15 – Simple Parliamentary Procedure
<http://www2.ca.uky.edu/agcomm/pubs/ip/ip15/ip15.pdf>

The publication is available publicly online. Contact your county agent for the additional materials.

VOLUNTEERISM **Ongoing Program**

KEHA members are all encouraged to serve their community as a volunteer, to be aware of community needs and help find ways to fulfill them. Additionally, members are asked to faithfully record those hours spent in volunteer service. Recording volunteer service time allows KEHA to quantify the organization's impact through service to the UK Cooperative Extension Service, through the program and activities coordinated by KEHA leaders and through the community involvement of our members. Documenting volunteerism provides a quantifiable value of our impact.

Focus:

Continue to encourage volunteer service by all members, work to identify community needs, and participate in the work of helping others through that service. Report volunteer hours of all members accurately. Work with the county FCS agent to submit volunteer hours on time.

Goals:

1. Continue to focus on volunteerism and service to each other and our community.
2. Improve the process of recording and reporting volunteer service hours, as well as recognition of those hours.
3. Determine the value of volunteer hours at the county, area and state levels. Use the most current Kentucky dollar value reported in the state-by-state data at <https://independentsector.org/resource/value-of-volunteer-time/>. For example, in 2023, volunteer time in Kentucky was valued at \$28.53 per hour, while the U.S. value was \$33.49.

Suggested Activities:

1. Compile a listing of local organizations and agencies in need of volunteers, including contact information for each organization/agency.
2. Survey members to determine what volunteer services are currently supplied by homemakers to the community.
3. Form partnerships with community organizations to help promote programs.
4. Promote and publicize the VSU program.

Reporting Process for Volunteer Service Units (VSU):

It is helpful for members of clubs to go over, collect, and tally all VSU logs at the last meeting of the Homemaker year in spring. Total hours of volunteer service units should be added to the Leadership Development Program of Work Report form as requested. For forms and instructions visit <https://keha.ca.uky.edu/content/impacts>.

1. Clubs report to county, county reports to area, and area reports to state Leadership Chair.
2. The Club Leadership Chair will collect the VSU log from members, ensure that hours are totaled by category and complete the Program of Work report form. The VSU logs and Program of Work Report forms should be sent to the County Chair **by July 1**.

3. The County Chair will complete the County VSU Report Form and the Program of Work Report form. The county reports are due **by August 15**. The paper VSU forms should be forwarded to the Area Chair. The Program of Work Report form should be submitted online and a copy sent to the Area Chair.
4. The Area Chairman will complete the Area VSU Report Form. All pages should be submitted to the State Leadership Development Chairman **by September 15**.
5. The State Leadership Chairman will award a gift card to the individual with the greatest number of hours STATEWIDE in each category and will award certificates to 2nd and 3rd place for each category STATEWIDE annually at the State Meeting.

SCHOLARSHIPS **Ongoing Program**

Situation:

KEHA recognizes the value of education. The cost of post-secondary education is increasing and our scholarship program offers assistance to students, both traditional and non-traditional, to obtain the education they need for success. (A non-traditional student might be a homemaker member who wants to complete or advance his/her education.)

Focus:

KEHA will support scholarships for traditional and non-traditional students and inform students of available scholarships.

Goals:

1. Increase support for scholarships for students majoring in Family and Consumer Sciences at UK and other Kentucky colleges and universities.
2. Encourage more students to apply for all scholarships offered by KEHA.

Suggested Activities:

1. Inform local students about KEHA scholarships by communicating with local high schools, both public and private, as well as home-school associations.
2. Raise funds for the KEHA educational scholarship funds.
3. Encourage homemaker clubs and counties to investigate the possibility of awarding scholarships for local students.

Contest/Recognition:

Recognize the counties who contribute the largest amount of money to KEHA scholarship programs (Evans/Hansen/Weldon and/or KEHA Member Scholarships). Members are encouraged to collect donations on an ongoing basis, with emphasis on collections in November. Funds collected should be submitted to the KEHA State Treasurer annually along with dues. Information and applications for scholarships are listed on the KEHA web site, and in the KEHA Manual, Handbook pages 94-103.

In addition, the top three areas with the greatest dollar amount of county and area scholarships as reported on the Leadership Development Program of Work Report form also will be recognized.

COMMUNITY VOLUNTEERISM AWARDS

Club and County Level

Programs and activities entered in this contest must deal with a club's or county association's volunteer involvement in *community leadership, community issues, or community service*. These efforts do not have to be exclusive to the leadership educational program, but can include volunteer efforts in any educational program area.

All entries should be submitted in a notebook or folder. Typing of information is strongly encouraged; but neat, legible handwriting is accepted.

KENTUCKY EXTENSION HOMEMAKERS ASSOCIATION LEADERSHIP DEVELOPMENT

VOLUNTEER SERVICE UNIT (VSU) PROGRAM

The Volunteer Service Unit (VSU) program is intended to recognize individual volunteer efforts in your club and community. It is also intended to help you grow personally in volunteer leadership skills, and to show you how you might use those skills. For example, you might want to climb a “volunteer career ladder.” That is, you may want to go on to more responsible volunteer positions in KEHA or in other groups. In addition, volunteer experience is often accepted and equated to paid employment if described in comparable terms when seeking employment.

- 1) **What is a volunteer?** A volunteer is an individual who agrees to do a job or perform a service for others (not family) for which the only pay is the personal satisfaction of a job well done. A volunteer can share time, knowledge, skills, materials, etc. with others. A volunteer may be paid or reimbursed for out of pocket expenses related to volunteer work.
- 2) **What is a Volunteer Service Unit (VSU)?** A VSU is an hour of volunteer effort. These hours include hours spent in preparing to carry out a volunteer activity as well as the hours spent directly involved in volunteer work. This includes hours spent within the KEHA organization, in volunteer roles with Cooperative Extension and other community work.
- 3) **How can I earn VSU's?** By regularly recording volunteer service hours on the VSU log and submitting your log to your county club/county Leadership Development Chairman. VSUs should be reported in the KEHA year in which the service occurred.
- 4) **How are VSUs categorized?** The VSU program has been reworked and expanded to include four categories of service. Those categories include Extension, KEHA, Community and Personal.
- 5) **What counts as volunteer hours in each category?**
Extension - All Extension Agent directed programs, including “train the trainer” lessons where you participate in agent-led training then teach the lesson to your club or other audiences. This category also includes assisting with any program organized and presented by an Extension agent like judging a 4-H event, leading a 4-H club, volunteering at an Extension field day, etc. This also includes volunteering for activities like 4-H Speech contests, Farm Safety Days, 4-H Reality Store, LEAP, or serving as a member or officer for the county Extension Council, county Family and Consumer Sciences Advisory County, County Extension District Board or State Extension Council. Counted hours should include your training, preparation time, travel time and delivery time to your audience. The key here is agent-led and directed programs where the KEHA member is a volunteer.

KEHA - Programs that originate and are directed by KEHA leaders and members. This includes service to a club, county, area, or the state as a committee member or officer. Participation in training sessions and organizing and leading KEHA-sponsored events should be counted. All volunteer hours from planning, preparing and conducting the meeting or activity should be included, as well as travel time, phone and/or messaging time and activity/presentation time. All volunteer time for club, county, area or state KEHA projects, fundraisers and special initiatives would be counted in this category. Examples include: making quilts for the Center for Courageous Kids, baking for local bake sales, planting trees, picking up trash in local clean-up project, etc.

Community - This category is for your service as a member or officer within community groups not Extension or KEHA coordinated or led. Examples include: local home owner's association, library board, Rotary or Kiwanis, Eastern Star, parent-teacher organizations, etc. This category is also for reporting volunteer time mentoring/tutoring students at school, with local literacy programs, senior home visits/music programs, American Cancer Society, Red Cross, local health departments, etc. as long as the volunteer role is not related to an Extension-led activity or Extension Homemakers activity. Also report serving as a volunteer first responder, on a local school board, any governmental appointments, jury duty, or any other similar roles. All volunteer hours from planning, preparing and conducting the meeting or activity should be included, as well as travel time, phone and/or messaging time and activity/presentation time.

Personal - This category is for discretionary reporting of any unpaid service to family, friends, and neighbors. It includes babysitting relatives not living with you, taking a neighbor or friend to the doctor and/or shopping, mowing the neighbors' lawn, shoveling their snow, raking leaves, etc. Church and faith-based participation such as choir member practice, Sunday school, transporting church members and other religious activities can also be included in this category.

- 6) **How do members report their individual hours?** The log for recording Volunteer Service Units (VSUs) can be found in the KEHA Manual Appendix. Make as many copies as necessary and total the number of hours per category before sending the log to the Club/County Chairman for Leadership Development.
- 7) Clubs may elect to report hours as one entity on a special project provided no individual members of said club are reporting the same hours individually. This eliminates the potential for duplicate reporting and confusion.
- 8) **How are hours reported to the state level?** The County Chairman must forward the compiled County VSU Report Forms to the Area Leadership Development Chairman by August 15. The Area Leadership Development Chairman then completes the area VSU Report Forms and sends the form to the State Chairman for Leadership Development by September 15.

- 9) Each hour of your service should be counted in only one category. In the case of projects or programs that may cross category lines, choose the category that best represents that activity.
- a. *Example:* Happy Homemakers Club partners with a 4-H agent to conduct a sewing camp for kids. If leadership is shared by an agent and a KEHA leader, count those hours as **EXTENSION** due to agent involvement.
 - b. *Example:* Country Ladies Club partners with a local school to teach basic sewing skills to students after school. Since the project is organized and presented by KEHA members, these hours count as **KEHA** hours.
 - c. *Example:* Susie H. Smith volunteers with the Cancer Society and provides local residents transportation to oncology appointments. These hours are reportable under **COMMUNITY** because it is a specific function through a community group. However, If Susie transports Aunt Lulu as a personal favor, the hours count as **PERSONAL**.

Recognition:

At the COUNTY level:

- a. A listing of all members with any hours reported by category should be shared via the annual meeting program, a newsletter, social media, website, etc. The county council, working with the County Leadership Development Chairman, should determine the most appropriate means to share the listing.
- b. The top three members in each category will be recognized and presented with a certificate at the annual county meeting. The County Leadership Development Chairman is responsible for this recognition.
- c. The county will send a report of all members in the county with more than 500 hours or more of total hours across all categories, as well as the listing of the top three individuals per category to the Area Leadership Development Chairman.

At the STATE level:

- a. Area winners for each category will be submitted by the Area Chairmen.
- b. The top category winners across the state will receive a gift card, with 2nd and 3rd place receiving a certificate.

IMPLEMENTING A COUNTY VSU PROGRAM

The Volunteer Service Unit (VSU) Program is a system for documenting and certifying time spent in volunteer activities. This program is for Extension Homemaker volunteers who wish to use records of volunteer services for the purpose of recognition, potential employment or advancement, volunteer career advancement, or personal satisfaction.

- 1) The Chairperson of the VSU Program at the state level is the Educational Chairman for Leadership Development.
 - A. Each county is *strongly encouraged* to appoint/elect a Leadership Development Chairman.
 - B. The County Leadership Development Chairman is expected to attend and receive training from the Area Leadership Development Chairman. [The Area Leadership Development Chairmen receive training each spring at the state KEHA State Meeting.] A packet of materials will be distributed to each county for your use with county clubs.
- 2) The duties of the County Leadership Development Chairman should be clearly defined at the time the program is initiated at the county level. As the program is put in place/established, the following duties are carried out:
 - A. The County Leadership Development Chairman will promote and publicize the VSU Program to each club.
 - B. The County Leadership Development Chairman may arrange a VSU training for individual members or club presidents/representatives who wish to participate in the program. A suggested training meeting program might include:
 1. Introduction, background, and advantages of the VSU Program;

EVANS/HANSEN/WELDON SCHOLARSHIP FUND

In 1962, the Ella Evans Good Neighbor Fund was established by the Kentucky Federation of Homemakers (now KEHA) at the request of Mrs. Carl Evans, the President at that time. In 1974, the state board voted at their mid-year meeting to honor Mrs. Evans by including her name in the fund's title. In 1999, restricted funds were set aside to perpetuate this scholarship fund. The amount available for the scholarship would be the total of the interest on the restricted fund plus the contributions made that year by the KEHA members.

The Viola K. Hansen Scholarship Fund was established by the Kentucky Extension Homemakers Association in 1969 in appreciation for Dr. Hansen's leadership of the Extension Home Economics program in Kentucky from 1956 until 1965 when an unfortunate accident resulted in her early retirement. The income for this fund was provided through donations from Homemaker members.

In 1942, the Myrtle Weldon Student Loan Fund was established in appreciation of Miss Weldon. The fund provided low interest loans to deserving Home Economics students. In 1972, the Myrtle Weldon Memorial Scholarship was first presented to a home economics student at the University of Kentucky. In 1975, KEHA voted to discontinue the Myrtle Weldon Student Loan Fund and transferred the balance to the Myrtle Weldon Memorial Scholarship Fund. This scholarship fund is sustained through donations made by KEHA members. A scholarship was given annually to deserving student(s) in the University of Kentucky College of Human Environmental Sciences, based on the income from this fund. (Note: the College of Human Environmental Sciences has now become the School of Human Environmental Sciences in the Martin-Gatton College of Agriculture, Food and Environment at the University of Kentucky.)

In 2004, funds were no longer available to award three single scholarships under the above established funds. It became necessary for KEHA to recommend combining the three scholarship funds into one scholarship. The decline in interest rates, organization membership and donations necessitated this action.

Rules and regulations governing the *Evans/Hansen/Weldon Scholarship Fund*:

- ◆ The scholarship may be used for full-time students selected to attend any college or accredited higher education undergraduate program in Kentucky (i.e. university, college, trade or technical school). MASTER FARM HOMEMAKERS GUILD, INC.

The object of the Master Farm Homemakers Guild is to promote the highest possible standard of living in farm homes, focusing on the positive aspects of farm/home life. Through the years, many projects have been carried out to further these aims. The Kentucky chapter is one of four active state Guilds.

Master Farm Homemaker member selection is open statewide each year. The process begins in the fall when the advisor sends information to the Family Consumer Sciences Extension agents. The packet of information includes the criteria for membership and nomination, along with the judging score card, all of which should be referenced when selecting county nominees. The packet also outlines the process for district judging and includes details about the state judging process. County and district selection/judging should be conducted in early fall.

The Master Farm Homemakers Guild 2nd Vice President will work with FCS contact agents to carry out the selection of district nominee(s) as needed. Once the nominee(s) is (are) selected, the name is forwarded to the 2nd Vice President in early December. Each district nominee finalizes and submits a nomination packet by February 1st to the Guild 2nd Vice President. The 2nd Vice President works with the county FCS agent and the nominee to arrange for a home visit by the state judging team.

The following scorecard should be used for county and district judging criteria.

- * The Farm and Home Plant (20 points)
The house interior and exterior, managing and balancing farm and home activities.
- * Management in the Home (40 points)
Home furnishings, home improvements, health and safety, food and nutrition, clothing and household textiles.
- * Family Relations (30 points)
Sharing responsibilities and planning, working relationship among family members, family recreational activities—time together.
- * Civic Responsibilities and Community Activities (10 points)
Civic responsibilities, community activities and leadership.

Master Farm Homemakers Requirements

The requirements for recognition are based on the National Guild prerequisites and certain standards established by the Kentucky Guild. Persons selected for recognition as Master Farm Homemakers must:

- ◆ Be farm women who own a working farm and are included in the labor and/or management of that farming operation. A percentage of the family income should be derived from the farming operation.
- ◆ Be a member in good standing of KEHA for at least 3 years,
- ◆ Be knowledgeable about and supportive of the Cooperative Extension Service,
- ◆ Demonstrate unselfish service to family, community, state and nation,
- ◆ Be nominated from the club, county, and/or district where KEHA membership is held.

Selection Process:

The process begins in the fall with selected candidates inducted the following spring at the KEHA State Meeting

Up to five (5) qualified candidates can be recognized and honored as state Master Farm Homemakers each year.

Note: For further information contact the Master Farm Homemaker representative listed on the KEHA Board Directory on the KEHA website (www.keha.org).

Meetings:

- Spring business meeting and recognition of new members – April/May in connection with the Kentucky Extension Homemakers Association Annual Meeting.
- Summer business meeting and informal gathering – often in July/August but scheduled according to dates recommended by individual(s) hosting the activity. The summer meeting is usually hosted by one or more Guild members at or near their homes. The Guild usually has an auction of crafts and other items made/brought by members. This is the only money-making project in support of Guild activities.
- National Master Farm Homemaker Guild – annual meeting hosted by one of the four organized states. It is often held in the fall, but the date is determined by the host state. Kentucky hosted in 2017 and is set to host September 14-16, 2022.

HISTORY OF KEHA

The origins of the Kentucky Extension Homemakers Association can be traced to the beginning of the 20th century. Today's collection of charitable, skilled, and knowledgeable Homemaker groups grew out of the University of Kentucky's Cooperative Extension Service's early attempts to connect and educate rural women through home demonstration clubs or tomato clubs. Some early groups focused on canning or reading and reaching out to women on farms. Those humble beginnings have led to an extensive network of women sharing information that would make their domestic lives easier including home economics, new technologies and goods, agricultural skills, food conservation and preservation, and domestic skills.

As early as 1912, the University of Kentucky College of Agriculture made some contacts with farm women. This work included a demonstration train that carried a staff of lecturers with demonstration materials. Then came the movable schools that were usually three or four days long and made extensive use of exhibits and illustrative material.

On October 1, 1913, Mrs. Helen B. Wolcott was appointed as State Agent. Her task was to organize Extension work in home economics through county workers. The program work was largely along the lines of food preservation, clothing conservation, health, and sanitation. By 1914, Home Demonstration Agents were serving in Christian, Daviess, Harlan, Henderson, Laurel, Logan, Madison, Magoffin, Mercer, Muhlenberg, Rockcastle, and Whitley counties. Some of the early appointments were on a short-term basis, and the agents' work was mainly giving instructions in canning tomatoes to girls and women.

After the federal Smith-Lever Act passed in 1914, the scope of Home Economics Extension increased rapidly with the purpose of extending the knowledge of a land-grant university to the people of the state. Increased funding meant the number of specialists, supervisors, and County Home Demonstration Agents increased dramatically. The Home Demonstration Agents started Home Demonstration Clubs and began organizing farm women for homemakers' work.

After a series of short-term leaders, Miss Myrtle Weldon began her tenure on June 1, 1924, with a staff of 24 Home Demonstration Agents in as many counties. She also organized the State Specialists into a resident Home Economics staff.

In 1924, a county organization guide was written, outlining a suggested constitution to counties. By the end of 1925, a majority of the 24 counties had perfected their county organization and had adopted the suggested constitution, with a few adaptations to meet local needs. This form of organization was an effective way to develop leadership, delegate responsibility, secure local participation, and develop effective procedures.

In 1932, after several years of discussion and interest, the county Homemakers unified into a state organization to strengthen their voice, to further develop leadership, and to broaden horizons. This group, named the Kentucky Federation of Homemakers, was organized during Farm and Home Week with Mrs. Lyda Lynch Hall of Fayette County as its first State President.

The Kentucky Federation of Homemakers soon wrote a constitution for the 29 counties that were members at the time. By 1939, 59 counties were members, and 108 counties had joined the Federation by 1958.

The first dues were 2 cents per member. Homemakers raised this amount to 5 cents per member, and in 1958 increased dues to 15 cents per member, payable to the State Treasurer of the Federation by November 30 of each year. In 1964, dues became payable on January 1, based on the membership as of the preceding December 1. The group increased dues to 25 cents per member in 1970, and in 1974, again increased dues to 50 cents per member. Dues increases have continued periodically over time.

In 1938, the Reading Committee established the Homemakers Library, which sent library books to counties upon request. The library served many people until it was disbanded in 1953.

The original four Standing Committees — Membership, Publicity, Reading, and Citizenship — were gradually expanded to 11 — Cultural Arts, Citizenship and Community Outreach, Clothing and Textiles, Family Life, Foods and Nutrition, Health, Housing, Energy and Environment, Management and Family Economics, 4-H, Public Information and Young Homemaker. The number of state educational committees was reduced to three in 1993 — Family, Environment, and Global/International. The number expanded back to today's eight in 2001 — 4-H Youth Development; Cultural Arts and Heritage; Environment, Housing and Energy; Family and Individual Development; Food, Nutrition and Health; International; Leadership Development; and Management and Safety

The first scholarship KEHA established was the Myrtle Weldon Student Loan Fund in 1943 in appreciation of the leadership of Miss Myrtle Weldon. The fund made money available at a low rate of interest to deserving Home Economics students.

In 1962, the Kentucky Federation of Homemakers established the Good Neighbor Fund at the request of Mrs. Carl Evans, the president at that time. In 1974, the state board honored Mrs. Evans by including her name in the fund's title, renaming it the Ella Evans Good Neighbor Fund.

In the 1960s, Murial Moore of Bardstown conceived the idea for a 5-cent postage stamp design. Kathleen Magyar contacted Norman Todhunter who did the artwork, then Magyar put it to graph. The United States Postal Service issued the stamp in 1964 in honor of the National Extension Homemakers Council.

Mrs. Ruth Saunders (Allen) became Acting Program Chairman of Home Economics Extension in the fall of 1965 and continued until her retirement in April 1968. During this period, the group transitioned from county planning to area planning.

At the March 1968 Annual Meeting, members approved a new constitution and changed the name to Kentucky Extension Homemakers Association (KEHA).

KEHA established the Viola K. Hansen Scholarship Fund in 1969 in appreciation for Dr. Hansen's nine years of leadership of the Extension Home Economics program. An unfortunate accident resulted in her early retirement. The scholarship was awarded annually to a student attending the University of Kentucky College of Human Environmental Sciences.

In 1969, the position of Chairman of Home Economics Extension Programs changed to Assistant Director of Extension for Home Economics. With Dr. Doris Tichenor in this position from October 1, 1969 to 1984, emphasis returned to strengthening county programs.

Following the passing of Myrtle Weldon in 1971, KEHA awarded the first Myrtle Weldon Memorial Scholarship in 1972. In 1975, KEHA voted to discontinue the Myrtle Weldon Student Loan Fund and transferred the balance to the Myrtle Weldon Memorial Scholarship Fund.

At the 1974 Annual Meeting, KEHA voted to incorporate and change its name to Kentucky Extension Homemakers Association, Inc.

Under the guidance of the 1974-77 Cultural Arts Chairman, Kentucky Homemakers members compiled a record of all of Kentucky's areas of cultural, scenic, and historical interest in the book *Kentucky Treasure Trails*. This book proved very helpful when traveling throughout the state to find interesting and unique sites.

A needlepoint tapestry of 120 county squares and six special squares woven together was formally presented to the Commonwealth of Kentucky on March 20, 1980. The tapestry, along with a descriptive book, *A Labor of Love*, was dedicated as it hung outside the rotunda in the Capitol on August 19, 1980. The tapestry remains on display in the Capitol Rotunda.

The print *Homemaker* by artist Bill Granstaff commemorating the 50th Anniversary of KEHA and was unveiled at the Kentucky Homemakers State Meeting on May 12, 1983. Items in the print depicted the Homemakers' early projects and activities including a change purse, egg carton, old quilt, and canning jar and lids.

As part of a focus to secure more grants to expand programs, KEHA received a grant for the *ABC's of Nursery Safety* in 1987 and the *Alcohol and Traffic Safety* grant in 1988.

In spring 1994, the term Home Economics was officially changed to Family and Consumer Sciences, a term that more accurately describes the work done by Extension specialists and agents in Kentucky.

In April 1998, the title of Vice President for Public Policy was changed to Vice President for Leadership Development.

In November 2003, President Mabel Harned appointed a five-member Archives Committee: Evelyn Ballard, Mary Warfield, Shirley Fitzpatrick, Patty Ann Moorhead, and Jean Davis. In January 2005, this committee established KEHA's official archives with the University of Kentucky Library. Since that time, additions have periodically been made to keep the archives current.

The objective of the KEHA International Program for 2003-2005 was to have a better understanding of Native Americans by working with Lame Deer Reservation and St. Labre schools in Montana. In 2003, KEHA members contributed 1,400 baby items; in 2004, more than 4,000 blankets and 2,000 pairs of socks were donated; and in 2005, 12,000 pounds of school supplies were collected and delivered. Two busloads of members traveled to Montana to meet the recipients and present the supplies and a check.

In 2004, money was no longer available to award three single scholarships so KEHA combined the three scholarship funds into one scholarship called the Evans/Hansen/Weldon Memorial Scholarship Fund. The scholarship is directed to graduating high school seniors or current college students pursuing a degree in a Family and Consumer Sciences discipline.

To support students at the University of Kentucky with interest in a career as a family and consumer sciences Extension agent, KEHA established an endowed scholarship in the College of Agriculture, Food and Environment in 2007. The scholarship is awarded annually to a student in human environmental sciences with plans for a career in Extension.

In 2007, KEHA celebrated 75 years as an organization. Members kicked off a year of special events to observe the anniversary at the state annual meeting in Bowling Green. A special commemorative pin was designed and introduced. The theme for the year was “75 Years of Learning, Leading and Serving.”

In February of 2008, the Kentucky State Legislature recognized KEHA’s 75 years of service to the Commonwealth in partnership with University of Kentucky College of Agriculture’s Cooperative Extension Service. More than 400 KEHA members and Family and Consumer Sciences Extension Agents attended the daylong celebration in Frankfort. The culmination of the anniversary took place at the 75th KEHA State Meeting at the Galt House Hotel in Louisville in May 2008 with the theme “Hats Off to Homemakers.”

In 2008, the International Program initiated a partnership with the Kentucky Academy, a kindergarten in the village of Adjeikrom in Ghana, West Africa. This project developed with assistance from Dr. Ann Vail, director of the School of Human Environmental Sciences and assistant director of FCS Extension, and Dr. Kwaku Addo, a native of Ghana and associate professor in the Department of Nutrition and Food Science. KEHA donated school supplies and raised funds to make capital improvements to the school building in 2008. In the summer of 2009, KEHA members and FCS agents toured the school and region to bring focus to this project. In 2010, KEHA support helped build a kitchen and dining pavilion for the Academy. The KEHA International Chairman traveled to Ghana in 2011 with a group from the University of Kentucky to continue the partnership. KEHA funded the purchase of furniture for the dining pavilion and further improvements to the facility. The projects in Ghana continued through 2019, and funds were raised and donated to construct a library in the village of Adjeikrom. In addition, KEHA members donated funds to purchase sewing machines and provided sewing supplies to establish a seamstress training program.

KEHA’s overall fundraising activity for international awareness and friendship was renamed “Coins for Change” in 2010. The name change allowed KEHA to continue to support the ACWW “Pennies for Friendship” program by sending fifty percent of funds to the London, England, office and maintained funding for KEHA’s International educational program on the international, national, and state levels.

The year 2012 marked the 80th anniversary of KEHA. To commemorate the occasion, KEHA commissioned artist John Ward to develop an anniversary print. The print, “Reflections,” was unveiled at the 2012 KEHA State Meeting and depicts a tranquil farm scene complete with horses, a quilt, and tire swing.

In 2013, KEHA's focus turned to membership. A membership incentive drive with a new traveling trophy (Miss E. Go) was initiated. E. Go is an acronym for Everyone Get One — each member should recruit a new member. The county who added the highest percentage of new members won \$100 and the Miss E. Go trophy for 1 year, then shared her adventures the following year. In 2014, Miss Way to Go to was added to reward the county that added the largest number of new members (actual number versus percentage.) Like Ms. E. Go, Miss Way to Go has a monetary prize, and the winning county shares her adventures the following year.

As part of the celebration of the centennial for Family and Consumer Sciences Extension in 2013, KEHA joined in the work to establish the FCS Extension Legacy Fund at the University of Kentucky. Initial gifts honored the retirement of Dr. Laura Stephenson, Assistant Director for Family and Consumer Sciences Extension Field Programs. This fund is for UK Family and Consumer Sciences Extension to assist in professional development and program development, implementation, and evaluation. Donations may be made in honor of or in memory of someone. KEHA contributions totaled \$7,805 as of June 30, 2016.

KEHA board members held a retreat in June 2015 focused on goal setting — what is KEHA, what do we do well, what do we see as our future and how do we achieve this future? “SMART” goal teams were formed to focus on membership, public relations, training leaders, and making lessons relevant. The Membership Team initiated the 3 for 3 Membership Drive, challenging each county to increase membership by at least 3 new members for 3 consecutive years. In 2019, fourteen counties were recognized for achieving “3 for 3” and Meade County was randomly selected to receive the monetary award.

In an effort to build statewide comradery, the KEHA Choir was re-established in 2015. Directed by Wendy Hood, a member from Mercer County, the choir gave a moving first performance at the 2016 KEHA State Meeting. The choir continues and performs annually at the State Meeting.

During 2017-2018, the KEHA State Board added a Marketing and Publicity Chairman in an ad hoc three-year appointment. Jennifer Williams from Grant County was appointed for the initial term, and she then worked with the board to create a new brand identity. Voting delegates at the 2018 KEHA State Meeting officially approved the new logo.

During 2018-2019, the Preparing Future Leaders team from the KEHA Board proposed the establishment of a KEHA Leadership Academy to provide advanced leadership training for up to 30 emerging leaders in spring 2020. The board approved the proposal, along with a funding request, in March 2019, and the voting delegates approved both at the 2019 KEHA State Meeting. The approval process culminated three years of discussion, work, and planning. The Leadership Academy took place March 4-6, 2020 with 25 members participating.

In early 2019, KEHA was approached by the U.S. Census Bureau with an opportunity to construct a quilt representing each of Kentucky's 120 counties for use in promoting the 2020 Census. The project was approved by the KEHA Board in March 2019 and announced to the membership at the May 2019 KEHA State Meeting. In less than four months, KEHA members in each county designed and produced a quilt square to represent their county. Grant County members positioned, pieced, quilted and finished the 2020 Census Quilt which was unveiled in September 2019 at a special ceremony at the National Quilt Museum in Paducah, Kentucky.

March 2020 brought an unprecedented disruption to normal activities of daily life during the global coronavirus pandemic. Out of concern for the health and safety of members, the 2020 KEHA State Meeting was cancelled in its entirety. KEHA clubs, counties, areas, and the state organization were challenged by disruptions to normal operations for several months, and technology became a key tool to continue the work of the organization. Lessons were delivered remotely via Zoom, Facebook Live, and YouTube. The KEHA Board met via Zoom in the fall of 2020 and spring of 2021.

While members were not meeting as in-person groups for much of 2020, they turned to individual acts of kindness and volunteer service. Producing home sewn face masks, isolation gowns, and/or surgical caps happened in KEHA member homes across the state. The 2020-2021 program of work reports indicated more than 63,000 face masks were made and/or donated by KEHA members. Kentucky First Lady Brittainy Beshear called upon KEHA to join an initiative titled “Coverings for Kids” to provide face masks for Kentucky schools.

A modified State Meeting was held in-person in June 2021, with health and safety measures including a change of date, a shortened schedule, a reduced attendance capacity, and adjustments to room set-ups. In-person annual meetings returned in some KEHA areas, but the pandemic altered a few scheduled meetings in 2021. The KEHA Board resumed meeting in person in fall 2021, and, for the first time, KEHA organized a full-day track for the February 2022 Kentucky Extension Volunteer Forum.

A full three-day KEHA State Meeting was held in May 2022 in Owensboro, Kentucky. This marked KEHA’s 88th State Meeting and 90th anniversary as a statewide organization. The KEHA choir resumed after a two-year pause and performed during the State Meeting. With continued positive feedback regarding the 2020 KEHA Leadership Academy, the membership voted to fund a second Leadership Academy for 2023.

KEHA and the Associated Country Women of the World

Since 1936, KEHA has been a member of the Associated Country Women of the World (ACWW). A delegation of about 300 women from Kentucky joined 6,700 other women from the United States in greeting representatives who attended that year’s Third Triennial Conference held in Washington, D.C. At each conference since, Kentucky has sent at least one delegate.

KEHA has been a member of the United States Liaison Committee, now the Country Women’s Council (CWC), since 1939. This group meets annually to promote the work of ACWW.

The bond with ACWW has strengthened throughout the years. In 1962, Mrs. R.P. Matchett of Kenton County was elected to serve as the ACWW Area Vice President for the United States and was re-elected for a second three-year term in 1965. KEHA members feel that they are links in a chain that reaches around the world. Their involvement with this worldwide group has broadened and deepened their sympathies, interests, and understanding. Programs today continue to reflect the unified resolutions and recommendations of ACWW.

KEHA and Its National Affiliations

The National Home Demonstration Council (NHDC) was created on June 1, 1936 during ACWW's Triennial Meeting. In 1939, Mrs. Lyda Lynch Hall of Fayette County became the second president of the NHDC.

In 1956, the NHDC conducted a song contest. Mrs. Dorothy Bullock, a member from Larue County, submitted the song *Onward, Ever Onward*, which won and became the official song of the NHDC. The NHDC changed its name to the National Extension Homemakers Council (NEHC) in 1963.

An NEHC flag was introduced at the 1976 Annual NEHC Conference. Gladys C. Medley of Marshall County designed the flag and took her idea to Tommy Troutman, an artist in Paducah, who sketched and painted her design. The Board of Directors approved the flag, and at the 1975 Annual Meeting, they ordered that the flag lead the procession at the 1976 Annual Meeting. The flag was updated in 1992 after the name changed to National Association for Family and Community Education (NAFCE).

During the 1980s and early 1990s, KEHA found great value in NAFCE's Family Community Leadership (FCL) program. The basic purpose of FCL was to improve the leadership and organizational skills of family members in order that they may participate more effectively in the identification, analysis, and resolution of public policy issues affecting families and communities.

A delegation of KEHA members, County Extension Agents for Home Economics Extension, and an advisor attended an FCL workshop in Florida in November 1985. After this meeting, delegates returned to Kentucky to conduct five workshops across the state with approximately 1,000 KEHA members participating. Through these workshops, KEHA trained its members to be effective leaders in their counties and communities.

A delegation of KEHA members, a specialist, and an advisor attended another FCL workshop in Denver, Colorado, in September 1986. Kentucky received a pilot grant of \$2,000 from the W.K. Kellogg Foundation in 1987 and a \$50,000 grant to conduct the FCL program over a three-year period. An FCL Board was organized with equal representation of KEHA members and Extension faculty.

In 1989, the NEHC Board voted to locate the new National Headquarters in Burlington, Ky. KEHA President Patty Ann Moorhead and Boone County District Extension Board President Bill Smith played a major role in the NEHC site visit.

At the KEHA Annual Meeting in April 1998, county voting delegates voted to dissolve affiliation with NAFCE because of differences in philosophy.

In 1995, KEHA was one of seven organizations that joined forces to form the National Volunteer Outreach Network (NVON). The organization incorporated the following year.

Since the establishment of NVON, the organization's annual meeting has rotated among the member states. KEHA first hosted August 1-3, 2000 in Louisville. In 2007, KEHA hosted the NVON meeting July 19-21 in Lexington. The 2013 NVON meeting was held in Frankfort, KY July 16-18.

The 2021 NVON meeting was held July 20-22 in Owensboro, KY. NVON was grateful to hold an in-person meeting after the COVID-19 pandemic led to a cancellation in 2020. KEHA leaders provided an engaging conference experience for all attendees.

In July 2005, Mabel Harned was elected Vice President of NVON. At the 2015 NVON meeting in Martinsburg, W.V., Linda Kaletch, a KEHA past president, was elected as the NVON president-elect. She served as president-elect in 2016 and as NVON president from 2017-2019. In addition, Rita Bloom, a Boyle County KEHA member, served as the NVON secretary from 2017 to 2019.

KEHA Ovarian Cancer Fund

In 1977, Virginia McCandless, KEHA Health Chairman 1976-79, initiated the Ovarian Cancer Fund. The goal of the KEHA Health Committee at that time was to raise \$1 per member -- \$31,000 -- to donate to research at the Albert B. Chandler Medical Center at the University of Kentucky. That goal was achieved in four years.

The Ovarian Cancer Project continues today, well beyond the initial goal. In May 2006, the total donated had reached \$881,841.98. In May 2009, KEHA surpassed the \$1,000,000 mark in giving to UK's Ovarian Cancer Research Program. The milestone was celebrated at the 2009 KEHA State Meeting, with Mrs. Virginia McCandless' five children in attendance.

KEHA continues to participate in and promote ovarian cancer screening at UK's Markey Cancer Center and mobile screening sites around the state. As of spring 2017, the program has screened more than 50,000 women at no charge, and more than 100 women, including the 2016-2017 KEHA President Mary Margaret Krahulec, had their lives extended because of the early, noninvasive, detection process.

In 2017, KEHA celebrated 40 years of support for ovarian cancer outreach, screening, and research. Total contributions at that time exceeded \$1.39 million.

In September 2021, KEHA leaders were invited to be part of a special University of Kentucky event celebrating the Markey Cancer Center's Ovarian Cancer Research and Screening program. KEHA was recognized for more than four decades of support for the program. As of May 2022, KEHA's total contributions exceeded \$1.58 million.

THE COOPERATIVE EXTENSION SERVICE

Cooperative Extension, established in 1914, was designed as a partnership of the U.S. Department of Agriculture and the land-grant universities, which were authorized by the Federal Morrill Acts of 1862 and 1890. State legislation enabled local governments or organized groups in the nation's counties to become a third legal partner in this new educational endeavor.

The congressional charge to Cooperative Extension, through the Smith-Lever Act as amended, is far ranging and extremely broad. The Act specifies audiences, general subject areas, and educational approaches for this unique partnership. The simple, yet enduring charge of the Act is:

“To aid in diffusing among the people of the U.S. useful and practical information on subjects relating to agriculture...home economics...and rural energy and to encourage the application of the same...Extension work shall consist of the development of practical applications of research knowledge and giving of instructions and practical demonstrations of improved practices on technologies, in agriculture...home economics, and rural energy and subjects relating thereto to persons not attending or resident of said colleges in the several communities, and imparting information on said subjects through demonstrations, publications, and otherwise and for the necessary printing and distribution of information...”

What is a land-grant university?

In 1862, President Lincoln signed the Morrill Act which gave a grant of federal land to each state. An allotment of 30,000 acres was given for each member of Congress. The income realized from this land was used to endow and support the land-grant college or university in each state. This was the birth of a lifelong educational opportunity for all people at any stage of the life cycle. A land grant college was “to promote the liberal and practical education of all people for useful lives.” To do this a university was required:

- To provide a wide variety of graduate and undergraduate curricula;
- To provide for basic and applied research; and,
- To provide a Cooperative Extension Service in agriculture, home economics, and subjects related thereto.
- Federal, state, and local governments finance this program, thus named Cooperative Extension Service.

What does Cooperative Extension Service do?

The Cooperative Extension Service was created as a dynamic institution, one with multiple audiences, subject matters, and methodologies. The basic mission is to disseminate and encourage the application of research-generated knowledge and leadership techniques to individuals, families, and communities. The Cooperative Extension Service:

- Is educational in program content and methodology, not regulatory or financial and is attached to the 1862 & 1890 land-grant university system and is a major part of it, rather than being directly a part of state government.
- Provides informal, noncredit education conducted primarily beyond formal classrooms and for all ages.
- Educates by helping people to identify and understand their needs and problems and to use new technology or information in solving them.
- Features the objective presentation and analysis of factual information for decision making by people themselves.
- Function as a nationwide educational network and resource through local offices which are semi autonomous units accessible to and subject to influence by local citizens.
- Involves cooperative but not necessarily equal sharing of financial support and program development among federal, state, and county or local levels.
- Involves funding and administrative relationships which permit educational programs directed at broad national purposes, yet serving specific local needs and priorities determined locally.
