

# THURSDAY Membership

Our quilt is not finished yet – and it won't be until you add your square. In KEHA, every member is a piece of the design. Everything you contribute makes the fabric stronger. How will you strengthen the fabric this year?

---

---

Invite friends to join KEHA to brighten the design of the KEHA quilt.

My friends' names:

Did they join?

## FRIDAY The Big Picture

Quilts, like KEHA, last for generations. When you join Homemakers you are stitching today's dreams into tomorrow's legacy. Your sewing plan helps build the future-one square, one conversation, one event at a time. We're not just crafting quilts, we're crafting Kentucky's future. What colors are your future quilt.

# Milestone Journal 2025

Name: \_\_\_\_\_

KEHA is an important part of your story. Use this Milestone Journal to guide your thoughts and feelings as you reflect on the many ways that your experience with your fellow homemakers has nurtured and shaped you to confidently become the person you are today!

# MONDAY

## Purpose

Why are you making the quilt?

Just like every quilt begins with a reason, so does every Homemaker’s journey. Whether you are here to celebrate, teach, serve, learn, lead or connect, your “WHY” is what stitches your story into our fabric. KEHA invites you to begin your personal “Sewing Plan” for the future. What is your purpose? Who are you reaching? Why does it matter?

---

---

## TUESDAY Planning

Every quilt begins with a plan, as does every KEHA project. Planning is where creativity meets intention. What is your pattern? A class, a community function, a new member event? What plans can you sew together?

---

---

---

## WEDNESDAY Product

It is time for “Show & Tell!” When you follow your sewing plan, what do you get? A finished quilt – AND community impact! Did you teach someone a new skill? Make care items for those in need? Shared on social media about homemaker events? When your quilt is finished AND BEAUTIFUL, don’t forget to showcase it – celebrate your efforts and inspire others to do the same! What’s next?
