

Tater

(Based on a True Story)

Tater was a troubled kid
we decided to take in,
With all the mayhem Tater did
he'd flash his big ol' grin.

One day Dad was walking
a fifty-dollar bill in his hand,
Unaware Tater was stalking
Tater grabbed the fifty and ran.

Dad took off after him
looking for the fifty on the ground,
But after catching him; the situation was grim
the fifty dollars was never found.

The bulk bin was fully loaded
Tater didn't turn off the switch,
The battery loudly exploded
And the feed filled up the ditch.

Taking Tater to Church was a good thing
or that is what we thought,
A cast member of the Nativity scene
After practice he got caught.

Tater and a female kid
went to the trailer to eat,
But there at Church? God forbid!
They did the carnal feat.

A mere five months later
On the back forty lot,
Prance the goat kids of Tater
Tater-Chip and Tater-Tot.
